Several attempts have been made to create a list of world literature. Among these are the great books project including the book series *Great Books of the Western World*, now containing 60 volumes. In 1998 *Modern Library*, an American publishing company, polled its editorial board to find the best 100 novels of the 20th century: *Modern Library 100 Best Novels*.

*In England, a century of strong government has developed what O. Henry called the stern and rugged fear of the police to a point where any public protest seems an indecency. But in France everyone can remember a certain amount of civil disturbance ... The highly socialised modern mind, which makes a kind of composite god out of the rich, the government, the police and the larger newspapers ...*
